

CIRCULATING LIBRARY

Payment of ten cents entitles borrower to a book for ten days. Beyond ten days, costs one cent a day. The fifteen borrowers of any book given the book free. Record of borrowing known only to our Librarian. The latest popular books of the day—books people are reading and talking about—and best Standard Fiction and History included in this library. It is the most popular of all circulating library plans.

Barre Book Store,

CARROLL W. MARTIN, Proprietor.
Gordon Block, 140 No. Main St.

COULD NOT REST
NIGHT OR DAY

With Irritating Skin Humor—Whole Body Affected—Scalp Itched All the Time and Hair Began to Fall Out—Wonderful Result From

APPLICATION OF
CUTICURA REMEDIES

"I am never without Cuticura Soap and Cuticura Ointment since I tried them last summer. About the latter part of July my whole body began to itch. I did not take much notice of it at first, but it began to get worse all the time, and then I began to get uneasy and tried all kinds of baths and other remedies that were recommended for skin humor, but I became worse all the time. My hair began to fall out and my scalp itched all the time. Especially at night, just as soon as I would get in bed and get warm, my whole body would begin to itch and my finger nails would keep it irritated, and it was not long before I could not rest night or day. A friend asked me to try the Cuticura Remedies, and I did, and the first application helped me wonderfully. For about four weeks I would take a hot bath every night and then apply the Cuticura Ointment to my whole body, and I kept getting better, and by the time I used four boxes of Cuticura I was entirely cured, and my hair stopped falling out, but I continue to use the Cuticura on my scalp. It keeps all dandruff out and scalp is always clean. I always use Cuticura Ointment on my face after shaving, and have found nothing to equal it. I will never be without it." D. E. Blankenship,
310 N. Del. St.,
Indianapolis, Ind.
Oct. 27, 1905.

RECOMMENDED TO ALL MOTHERS

"I have used Cuticura Ointment for chafing of infants, and as they grow older all skin diseases were given treatment with that and the Cuticura Soap. I never found it necessary to call a doctor, as these Remedies are a sure cure, if used as directed. I am glad to recommend them to all mothers. Sincerely yours, Mrs. T. A. Kennard,
June 21, 1905. St. Paul Park, Minn.
Cuticura Soap, Ointment, and Pills are sold throughout the country. See the directions on the boxes. Write to J. C. Kenney, Boston, Mass., for a free book, 'How to Care for the Skin.'"

AN IMPORTANT SCIENTIFIC DISCOVERY.

Likely to Revolutionize Pharmacy.

A HAPPY COMBINATION

Of just the right proportion of each of the roots of several indigenous, or native, medicinal plants, or rather of the active medicinal principles scientifically extracted therefrom by the use of chemically pure glycerine of just the right strength, constitutes Dr. Pierce's Favorite Prescription for the cure of female invalids, nervous, "run-down," over-worked women. Many years ago, Dr. Pierce discovered that chemically pure glycerine, of proper strength, is a better solvent and preservative of the medicinal principles found in our indigenous, or native, medicinal plants, than is alcohol. Believing, as he does, that the use of alcohol, even in small portions, if long continued, works great harm to the human system, he determined to combine this chemically pure glycerine with the medicinal principles found in our indigenous, or native, medicinal plants, and to use pure, triple-refined glycerine instead. Now glycerine is not only perfectly harmless but possesses intrinsic medicinal properties, being a most valuable demulcent, solvent, nutritive, anti-septic and anti-ferment. Since they are non-alcoholic, Dr. Pierce's Family Medicines belong all by themselves. They are neither patent nor secret medicines. Their ingredients are printed in plain English, on each bottle wrapper.

The exact proportion of the several ingredients used in these medicines, as well as the working formula and peculiar processes, apparatus and appliances employed in their manufacture, are withheld from public view, that Dr. Pierce's proprietary rights may not be infringed and trespassed upon by unprincipled imitators and those who may be piratically inclined.

WHAT OTHERS SAY.

With Dr. Pierce's medicines you don't have to pin your faith wholly to what the manufacturer says of their curative potency as with other medicines. Merely moderate, well-grounded, common-sense, it is feared, often lead men, and women too, to put forth unreasonable claims for their loudly praised, but many times nearly worthless compounds. Especially should the afflicted beware of the "cheap-John" free, give-away, "trial bottle" dodge. It is not to be trifled with one's health. It should be regarded as too sacred to be experimented with.
Dr. Pierce's medicines have a record of nearly forty years of success, having treated many hundreds of thousands of bad cases restored to health and happiness.

THEY STAND ALONE.

In having the professional endorsement of scores of eminent medical practitioners and writers, of all the several schools of medical practice, who praise the curative properties of the several ingredients of which they are composed, they go beyond all that the makers of these medicines have ever claimed for them. These are the more valuable because in every case written without the author knowing that he was praising articles entering into these popular medicines, the matter being sent to the public in various medical journals and books designed exclusively for professional reading and instruction. The afflicted can, therefore, rely upon them, and in every way truthful and trustworthy.

A LITTLE BOOK.

has been compiled made up of brief extracts from many standard medical works giving but only in part, some of the many good things written by leading medical authorities concerning the several native medicinal roots that enter into the composition of Dr. Pierce's medicines. Any sending by post, by mail or letter, to Dr. E. V. Pierce, Buffalo, N. Y., and requesting a copy will receive it free by return post.

Recognized.

"I had to laugh at a fellow who came in here with a 'leg last night,'" said C. H. Churchill, clerk at the Brown hotel this morning. "He had an awful skate on. He managed to get up here before the desk by taking across the lobby and he leaned on the register."
"Say, friend clerk," he said, "wash this 'leg' about a carbuncle?"
"Yes," I replied, "there was one."
"He swayed around in front of the counter a moment. 'Say,' he finally said, 'lemme tip you off. Zat earsh-quake's struck Denver. Zis hotel is goin' 'round an' up an' down fearful. Run fr yer life.'"
"Then he went outside to escape being killed by the falling walls."—Denver Post.

Fortunate Missourians.

"When I was a druggist at Livonia, Mo.," writes T. J. Dwyer, now of Grayville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence."—Success Magazine, and sold cure and throat and lung healer. Guaranteed by the Red Cross Pharmacy, 50c and \$1. Trial bottle free.

From Blue to Crimson.

Woman—Now, if you don't leave at once I'll call my husband—and he's an old Harvard football player.
Train—Lady, if you love him don't call him out. I used to play with Yale.
—Judge.

PUBLIC HEALTH NOTICE.

The Board of Health calls the attention of the public to the following city ordinances:
Section 9—It shall be the duty of the occupant of every house in the month of May in each and every year to clean the cellars thereof of all dirt, vegetable and other impure matter, calculated to engender disease, and cause them to be disinfected to the satisfaction of the Board of Health.
Section 10—All privy vaults, privies and cess-pools shall be cleaned out at least twice a year—once in the spring, not later than the 15th of May, and once in the fall, not earlier than the 15th of October. From the 15th of May to the 15th of October they shall be frequently and thoroughly disinfected. No person shall open any privy-vault, cess-pool and reservoir, or remove the contents thereof, or haul such contents through any street in the city, from and after the 15th day of May to the 15th day of October of each year, between the hours of six o'clock in the morning and ten o'clock in the evening.

He'd Been Moving.

"That may be pretty hard," said Mr. Youngblood, as he sat at the circus watching the wonderful work of the man on the flying trapeze, "but if that fellow wants to try something that will really test his nerve, let him get on a rickety stepladder from which he has to lean off sideways at a right angle and hold a picture that weighs twenty-six pounds." We've just been moving."—Chicago Record-Herald.

OPEN TO ALL.

This little book of extracts, contains, in plain English, the name of every ingredient which enters into Dr. Pierce's Golden Medical Discovery, the famous cure for weak stomach or dyspepsia, torpid liver, or "biliousness," bad blood, and all catarrhal diseases of the several mucous passages. By reading this little book, you will learn why this medicine cures such a wide range of diseases. You will find that two of the prominent ingredients of the "Golden Medical Discovery" are recommended by the medical writers of all the several schools of practice for the cure of diseases of the mucous surfaces, as catarrh of the nasal passages, of the stomach and bowels, including ulceration of the same. You will find these agents also spoken of as the best of remedies for all cases of atonic dyspepsia, that is dyspepsia dependent upon weakness of the stomach itself—muscular weakness, also, for kidney and bladder diseases.

Several of the ingredients entering into the "Golden Medical Discovery," viz: Queen's root, Black Cherry bark, Stone root and Bloodroot are highly recommended for chronic, or lingering coughs, and for all chronic, bronchial and laryngeal or throat affections. In fact, some of the writers go so far as to state that the active medicinal principle contained in Queen's root alone will cure cases of bronchitis. Is it not reasonable then to expect much in the way of curative results from a compound containing not one but several ingredients, each of which has a reputation for curing bronchial and throat affections accompanied with obstinate cough? Observation, however, leads the makers of the famous medicine to recommend the "Discovery" for chronic or lingering coughs, rather than for acute colds and coughs. In the latter case it is generally best to "loosen" or expectorate enough unless mucilage of slippery elm, flax seed or Gum Arabic be drank freely at same time it being used, but with the cough has passed its acute stage, if still persistent, the "Discovery" will prove a sovereign remedy for its control.

READ AND YOU WILL KNOW.

From the same little book of extracts it will readily be seen why Dr. Pierce's Favorite Prescription works such marvelous cures in those chronic and distressing diseases peculiar to women, in all cases of pelvic catarrh with weakening drains, bearing or "dragging-down" pains or distress, and in all menstrual derangements and irregularities, the "Favorite Prescription" will be found to be made of just the right ingredients to meet and cure the trouble.

Your druggist will sell the "FAVORITE PRESCRIPTION" and also that famous alternative, blood purifier and stomach tonic, the "Golden Medical Discovery." Write to Dr. Pierce about your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address: Dr. J. C. Pierce, Buffalo, N. Y., of which he is chief consulting physician.

It is as easy to be well as ill—and much more comfortable. Constipation is the cause of many forms of illness. Doctor Pierce's Pleasant Pellets cure constipation. They are tiny sugar-coated granules. One little "Pellet" is a gentle laxative, two a mild cathartic. All dealers in medicines sell them.
Dr. Pierce's 100-page illustrated book, "The Common Sense Medical Adviser," is sent free in paper covers on receipt of 21 one-cent stamps to pay the cost of mailing only. For 31 stamps the cloth-bound volume will be sent. It was formerly sold for \$1.50 per copy. Address Dr. R. V. Pierce, Buffalo, N. Y.
